1. Title of Position and Supervisor
   Title: Clinic Support Specialist
   Supervisor: Keli Cathey (Business Office Manager)

2. Assigned organizational unit (e.g., department):
   Business Operations Team: Clinic Support

3. Job Overview and Classification:
   This is a non-exempt position which is paid hourly.
   The Clinic Support Specialist (CSS) provides excellent services in
   ★ responding to client inquiries,
   ★ maintaining a professional yet positive approach with clients,
   ★ assisting clinicians with office needs
   ★ maintain clinical files and documents according to professional standards
   ★ assisting with patient scheduling
   ★ confirming patient appointments
   ★ trouble-shooting office machinery.
   In addition, the CSS maintains complete confidentiality of client and business office records.

4. Position qualifications (experience, skills, education, license)
   ✓ Required: Clinic Support Specialist will have completed general education
     requirements and/or have completed at least some post-secondary classes.
   ✓ The candidate must have quality writing skills and word processing skills.
   ✓ Works well with limited oversight, can manage various tasks as assigned (time
     management skills) and can function in both small and large workgroups.
   ✓ Professionalism and the ability to work in challenging situations is a must.
   ✓ Must have at least 1 year of office work/customer service experience and previous
     phone reception experience.
   ✓ Familiarity with working in either mental/medical health services is a plus.
   ✓ NOTE REGARDING MEDICAL OFFICE EXPERIENCE
     Some of our clinical staff members are nurses or physicians (psychiatrists). Therefore,
     we may also require some training as a medical assistant or some effective work
     experience in a medical office or hospital as a pre-requisite for at least some of our
     CSS positions. Any such experience is a plus.
